

TA Foundation Year (TAFY) 2025

This advanced TA group is open to all people who have already attended the official introductory workshop to Transactional Analysis - the TA 101. It can be a stand-alone programme that deepens your understanding of the TA models, or be the first step of ongoing TA training towards the international certification of Certified Transactional Analyst (CTA).

See <https://www.itaaworld.org/itaa-training-examinations-handbook> for the details of the CTA training and certification.

The course runs virtually for a full day per month [9am to 4pm SA time). It attracts trainees from a wide variety of countries. The platform of Zoom allows a highly experiential learning experience. There is rich learning between such diverse people! Supervision is an integral part of the TA learning process and is arranged when needed, outside of the training days.

Topics:

- Jan: Connecting, contracting, educational philosophies, script & learning cycle, Kolb and Zull, Learning Style Inventory
- Feb: Group imagoes, Cycle of Development, Competence Curve
- Mar: Ego states - structural, 2nd order structural, diagnosis

Trainer:

This training is run by **Karen Pratt**. Karen is an internationally certified Teaching and Supervising Transactional Analyst (TSTA) in the education speciality. She is certified by the International Board of Certification in affiliation with the International Transactional Analysis Association. She is Chairperson of the South African Transactional Analysis Association (SATAA) & Co-chair of the Professional Standards Committee (PSC) of the International Board of Certification (IBOC)

Karen has been involved in TA since 2000 and uses it in her professional work as a consultant, coach and supervisor, as well as being actively involved in training new trainees both to the first level of qualification as a Certified Transactional Analyst (CTA) and to the second level as Teaching and Supervising Transactional Analysts.
